

Nailsea Town Council wants your ideas...

The town has come into a large amount of money from the sale of land at Engine Lane, as well as Community Infrastructure Levy (CIL) payments, and we want to spend it on what the people of Nailsea want and need.

We would love you to share your ideas with us so we can try and make them happen. All you need to do is fill in the form overleaf and return it to us by the 1st March 2022. It's okay if you don't have all the answers, just share as much about your ideas as you can. No idea is too big or too small – we just want to know what you think!

We will collect all of your ideas and then share them online before creating a shortlist of projects to be investigated further. This is your chance to make a huge difference to Nailsea - make your voice heard!
